

Dear Partner,

Warm greetings from Greifswald! I hope you are well!

We are delighted to invite your students to our annual summer school **Greifswald Summer 9 - 21 August 2021**.

The programme combines two weeks of intensive German language classes and workshops at A1 to C1 level with a diverse range of cultural events and outings.

Due to the uncertain situation the programme will take place online.

The participation cost for Greifswald Summer is EUR 200.00. Please find further information regarding the programme structure [here](#).

We are pleased to be able to offer 20 **scholarships** for students of partner institutions to strengthen our cooperation also through the field of short-term stays. If you have any students interested in the programme, please send me an email with their contact details (names, e-mail address, field of study). After receiving nominations, we will then send a link for the online application to the students.

Nominations close 31 May, 2021 but since this is a first in first served nomination period we advise you not to wait until nomination closure.

If you or your students have any questions, please do not hesitate to contact us.

We very much look forward to welcoming your students to your programme.

Kind regards,
Nadine Voigt
