

International Day @ Pomeranian University in Słupsk 2021

Dear Partners,

I hope that this letter finds you in good health and spirits.

The end of May is a special time for Pomeranian University in Słupsk as it celebrates the anniversary of its foundation. Also this year, we are planning a number of events marking the 52nd year of our activity as an important centre of higher education in the region.

Since we value highly cooperation with our international partners, we are planning to organise an event that aims to bring all our universities together on the **International Day @ Pomeranian University in Słupsk 2021**.

The main objectives of the event are to:

- promote the idea of internationalisation, cultural richness and mutual understanding,
- share our international experience,
- advertise partner universities,
- jointly celebrate the anniversary of Pomeranian University in Słupsk.

We therefore would like to **invite your university to take part in the event**, which will be held on **28 May 2021 in the online form** (broadcast via our YouTube channel). The planned duration of the event is **4-6 hours**.

The agenda of the live broadcast includes a number of activities/ programme elements, such as news items, quizzes, video-presentations, video-greetings, online chats, interviews, contests, etc. Due to the pandemic and technical restrictions, we are asking you to provide us with video content that will enrich our programme and emphasise our cooperation.

In order to properly plan the event, **we kindly ask you to indicate those elements of the recorded content that you are willing to submit to be broadcast during the event** (the detailed list of the activities is provided below). We also ask you **to indicate a contact person** that will coordinate the event on your behalf. Please submit your answers by **23 April 2021**.
